Transport & its Impact on Real Estate

By Assoc. Prof. Muhammad Faishal Ibrahim
Parliamentary Secretary, Ministry of Health and Ministry of Transport
MP for Nee Soon GRC

Transportation and accessibility are key attributes of location and location is a key determinant of real estate values.

This talk will look at how transportation plans have and will affect real estate developments.

About the Speaker

Assoc. Prof Muhammad Faishal Bin Ibrahim graduated from the National University of Singapore with the BSc (Estate Management) (Hons) and the MSc (Real Estate). He subsequently obtained his PhD in Management from the University of Manchester Institute of Science and Technology.

Faishal began his career at the Inland Revenue Authority of Singapore, before joining the National University of Singapore (NUS) in 1998 as a Senior Tutor. He became an Associate Professor of the University in 2010.

Faishal was first elected to parliament at the 2006 general election as an MP for the Marine Parade Group Representation Constituency. He was elected as an MP for the Nee Soon Group Representation Constituency in July 2012. Faishal was appointed as Parliamentary Secretary at the Ministry of Health and the Ministry of Transport.
