**Company:** LaSalle Investment Management  
**Job Title:** Equity Securities Analyst  
**Department:** Securities  
**Employment Type:** Full Time  
**Reporting To:** Managing Director  
**Location:** Hong Kong

---

LaSalle Investment Management (“LaSalle”) is a global real estate investment manager with \$60 billion (as of Dec 2015) of private and public real estate assets under management and nearly 700 people in 16 countries worldwide. Our diverse investor base includes public and private pension funds, insurance companies, governments, endowments and high net worth investors from across the globe. LaSalle sponsors private separate accounts, private open and closed-end commingled funds, and public real estate securities programs. As a wholly-owned member of the Jones Lang LaSalle group (NYSE: JLL), LaSalle's investment teams also draw on the intelligence and resources of our parent company, giving us unique access to market opportunities and key industry leaders.

For further information, please visit [www.joneslanglasalle.com](http://www.joneslanglasalle.com) or [www.lasalle.com](http://www.lasalle.com).

**Objective of Role:**

We are currently seeking a buy-side **Equity Securities Analyst** to join our LaSalle Investment Management (Securities) team. LaSalle Investment Management (Securities), a subsidiary of Jones Lang LaSalle, manages over \$14.8 billion of assets (as of March 2016) on behalf of institutional investors in the public equity markets. We invest in publicly traded real estate oriented businesses across the globe.

This position will provide the foundation to pursue a variety of career and/or educational paths. Employees will be prepared to pursue a graduate degree in business, continue a career in securities analysis in real estate or other sectors or assume other finance related positions.

**Accountabilities:**

- Conduct due diligence on public companies and real estate markets by analyzing financial statements, interviewing company management teams and reviewing other sources of market and company information
- Prepare and maintain earnings and valuation models
- Monitor news flow from companies
- Support senior analysts and portfolio managers in making Buy/Hold/Sell recommendations based on the LaSalle Investment Management (Securities) valuation methodology
- Assist in writing reports on companies and real estate sectors

**Required Qualifications & Experience:**

- Bachelor's degree in finance, economics, or related field
- Seeking an entry level candidate and/or some related internship experience
- Coursework in accounting, economics and financial statement/model analysis
- Excellent analytical skills
- Strong verbal and written communication skills
- Ability to work independently and in a team
- Proficiency with Microsoft Excel
- Interest in the CFA program is an added advantage

As this role will be based in HK, relocation assistance will be provided to successful candidates.

Interested candidates who possess the relevant qualifications & experience are welcome to send in your resume via the link at [eFinancialcareers.com](http://eFinancialcareers.com).

Only shortlisted candidates will be informed.
